

BRING YOUR OWN DEVICE (BYOD) STUDENT AGREEMENT

**WOLLONGONG HIGH SCHOOL OF THE
PERFORMING ARTS**

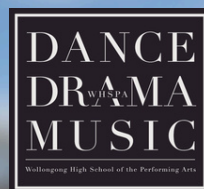

Overview

I agree that I will abide by WHSPA's BYOD Policy and that I will:

- Use the DoE's Wi-Fi network for learning purposes only
- Use my device during school activities following the direction of my teacher
- Use my **own** Student Portal credentials to connect to the Wi-Fi and never share my details with others.
- Have my device charged and ready for use for each school day
- Be vigilant and not give my personal information to strangers
- Not attempt to hack or bypass any hardware or software security which has been implemented by the DoE and WHSPA
- Not use my own device to knowingly search for, link to, access or send any item that is offensive, pornographic, threatening, abusive, defamatory or bullying
- Report any inappropriate behaviour or inappropriate material to my teacher
- Understand that all my activity on the internet is recorded and that these records may be used in investigations, court proceedings or for other legal reasons
- Acknowledge that WHSPA cannot be held responsible for any damage to or theft of my device
- Read and understand the limitations of the manufacturer's warranty on my device, both in coverage and exemptions (The school will be limited in supporting your device's hardware issues)
- Read the **BYOD Device Requirements (see below)** and ensure my device meets the minimum specifications

WOLLONGONG HIGH SCHOOL OF THE PERFORMING ARTS

BRING YOUR OWN DEVICE INFORMATION

Device Types

Windows Laptops and Apple MacBooks are the preferred BYO devices at WHSPA.

Apple iPads as well as Android Tablets if used in conjunction with a good wireless keyboard, are suitable for students in Years 7 through 10. However, these types of devices are **not recommended** for Year 11 and 12 students and / or students who need to use high performance programs such as Adobe applications.

Please Note: WHSPA provides a limited number of school owned devices, which are available to students who are unable to acquire their own device. These devices are available via contact with the school Principal. For more information please contact the school office.

Operating Systems & Software

WHSPA supports all devices running the latest & up-to-date Windows, macOS/iPadsOS, and Android Tablet operating systems (OS).

Students are able to access the full Microsoft 365 suite and most Adobe applications through their DoE student account for **FREE**.

Device Safety & Ergonomics

WHSPA recommends that your chosen device has a screen size of **13.3" - 15.6" (inches)** for easier visibility, and that it weighs no more than **2.5kg**.

To go along with your device, WHSPA also recommends an appropriately sized hard case and carrying bag to ensure that your device is kept well protected.

Data Backups & Cloud Storage

Students have access to 500GB of free Google Drive cloud storage through their DoE student account. It is **highly recommended and encouraged** that students backup all of their work school work to Google Drive regularly!

WHSPA also recommends that students use a USB thumb drive for quick, on the go backups.

Insurance & Warranty

Please Note: under the BYOD policy, WHSPA is not responsible for the loss or damage of a students device.

Please ensure that your device warranty policy covers any incidents or damage that may occur to your device.
